Drexel University: Westphal College of Media Arts & Design

- Relevant Coursework: Lighting & Surfacing, Procedural Animation, Compositing II, Animation II, CGI II, Real-time Visualization
- GPA: 3.72

EXPERIENCE

President of Drexel Animation Club - April 2024-Present

Drexel University, Philadelphia, PA

- Plan various 2D and experimental animation activities with officers quarterly to educate non-major students about animation
- Complete the necessary paperwork promptly for Drexel's Student Organization Resource Center to maintain club status and attend leadership training quarterly
- Engage with Drexel Campus community events to connect with students and create a welcoming environment

Freelance Artist - February 2023-Present

Philadelphia, PA

- Communicate effectively with clients and implement critiques to bring their vision to life
- Produce a variety of quality works in both traditional and digital mediums on a case-by-case basis to satisfy individual clients
- Organize and delegate tasks among a team of artists to keep production on track for various projects

Volunteer Concept Artist - September 2023- May 2023

Greencastle Antrim High School Colorguard, Greencastle, PA

- Created several concept designs using Procreate and Illustrator to be referenced in the final stage of the design process
- Adhered to size and resolution constraints to fit the client's needs and streamline the print process
- Factored in the abstract message portrayed in the performance that appealed to both coaches and performers
